## **BRANDON VERMONT** ***Development By Parcel***

Year built information was taken from a spreadsheet provided by the Town of Brandon that included every permit given since 1969. This list was refined to only include new structures. Many structures were left out because they did not have an address in the town's permit data.

Parcels shown reflect structures whose description contained one of the following: mh, structure, log home, camp, double wide, house, 2 br house, 2nd primary/house, 3 bdr house, 4 BR house, duplex, home, house & garage, building, condos, const. 3 br home, commercial, single family home, single family house, seasonal camp, vacation home or trailer.
