

# Brandon Historic Preservation Review Commission

## Minutes

**3 May 2016, 4:00 PM** at the Brandon Museum/Steven Douglas Birthplace

1. Call to Order

Quorum (3) -- Jeff, Lance, Richard, Blaine

2. Approval of Agenda

3. Discussion:

A. Projects--Where do we stand?

a. Updating of NR Brandon Village Historic District

Blaine will start the process. The dates on the NR are suspect and the numbers don't follow the printed map. Changing the NR would be easier than changing the State version. Adding state historic districts to NR: Forest Dale, Rossiter Street, etc. Revising existing NR to include French/Canadian Historic District. It would be nice for someone to contact the diocese to check their records for the Maple Street cemetery.

b. Barn survey – take old plans and go through the downtown to see how many still exist and their condition.

c. Continue quarry survey and submit for a noncontiguous quarry historic district  
Lance will get coordinates of quarries and see if they can be coordinated with town's mapping software. Blaine and Lance will discuss to see that all quarries have been listed.

d. Prepare list of grants for which the town can apply – Jeff will assemble

e. Historical Markers:

Conant/Howe Scale furnace site  
Oldest twin-arched masonry bridge  
Brandon & Abolition (Kevin Thornton)  
High Street Quarry
