

Town of Brandon Local Hazard Mitigation Plan Committee Meeting

The Town of Brandon Local Hazard Mitigation Committee will have a meeting on
Friday, October 6 at 1pm

in the Brandon Town Offices, located at 49 Center St in Brandon, VT.

The meeting will take place in the second floor conference room.

This Local Hazard Mitigation Plan is an all-hazards planning tool that includes mitigation actions and strategies to protect the towns from future flood and storm events.

This meeting is open to the public, and the public is invited to comment on this plan.

The draft plan will be located in the Town Office, and the public may provide input through October 20, 2017.
