Since Blaine Cliver is in the process of moving, we need to get together with him to recover as much of his files as are available. Lance will start the process, particularly for the Barn Inventory and the Quarry Inventory. John will join if school has let out.

Richard has come up with tentative language for a historic sign at Newton Road and together with Jeff's about the twin-arch bridges, Jeff will get in touch with Caitlin Corkins and see about having state signs created.

No new or old business.

Next meeting June 11.

Meeting adjourned 7:40.
