

INVITATION TO BID FY25 ROAD PAVING

RECEIPT OF BID DOCUMENTS

The Town of Brandon, Vermont, will receive sealed bids for its FY25 Road Paving, at the Office of the Town Manager, 49 Center Street, Brandon, Vermont 05733, until Tuesday, August 6, 2024, at 2PM. At that time, bids will be opened and read aloud. Bidders need not be present at bid opening. Proposals must arrive on time and in a sealed envelope marked "FY25 Brandon Road Paving Bid" to be considered. No bid may be withdrawn for 30 days after opening.

OVERVIEW OF WORK

ROADS (TO BE BID AS ONE PROJECT): Portion of North Street (Route 53, Town Highway 6); portion of Union Street (Town Highway 5); portion of River Street (Town Highway 69)

REQUIREMENTS OF BID

The Town of Brandon will consider bids both (a) contemplating the use of virgin mixes and (b) including 15% RAP (reclaimed asphalt pavement). The bid must include all labor, materials, removal, driveway aprons, paint line striping where the existing road is striped, mobilization and demobilization, overhead, profit, insurances including worker's compensation, traffic control devices and personnel, and construction signage in accordance with MUTCD to finish the work as specified. Unless otherwise stated, all work shall be completed in accordance with State of Vermont Agency of Transportation (VTrans) Standard Specifications (current edition).

All bids must be submitted on the Town's bid form (provided) or on a document prepared by the bidder which contains in every respect the same information as the Town's bid form. A certificate of insurance stating a combined single limit of \$1M (one million dollars) naming the Town of Brandon as certificate holder is required with each bid. A completed Form W9 is required with each bid. A bid bond or certified check is not required. A pre-bid meeting is not scheduled. Bidders are encouraged to familiarize themselves with all existing conditions by visiting the sites on their own time or by scheduling an appointment with the Highway Division Chief. The failure a bidder to do any of the foregoing shall in no way relieve them of any obligation with respect to their bid.

AWARD AND WORK SCHEDULE: The Brandon Selectboard will consider bids at its meeting on Monday, August 12, at which time it will award the contract(s) to the successful bidder(s). If awarded the contract, the contractor agrees to complete all work in its entirety on or before Friday, November 8, 2024. The contractor will provide the Highway Division Chief at least 2 days' advance notification of mobilization prior to starting work. Work may be scheduled between 6AM and 6PM Monday through Friday. The Town's Highway Division Chief will inspect all work prior to acceptance. Following acceptance, the contractor shall provide the Town of Brandon with one invoice. The Town may withhold liquidated damages at the rate of \$250 from the amount payable to the contractor for each calendar day the contractor is in default after the scheduled completion of work (Friday, November 8, 2024).

POINT OF CONTACT: Questions during the bid period and contract period may be directed to Mr Jeremy Disorda, Highway Division Chief, at (802) 247-3600 (shop) or (802) 558-7094 (mobile phone).

BID FORM
